EOL20150416001

To Whom It May Concern,

Subject: Product Discontinuance

Bel Fuse Inc. is issuing this correspondence as confirmation of discontinuance of a list of parts due to lack of sales for these magnetics.

Please remove the Bel P/Ns on the attached list from your AVL:

This EOL supersedes the EOL sent out in October (EOL x558 series 10302014). I apologize for any inconvenience/difficulty the original list may have caused. We have reviewed our procedures for EOL with the factory and believe we should not have an error again.

Thank you for your understanding in this matter. Should you have any questions, please contact your local Bel representative or contact me directly at 201-432-0463.

Sincerely,

Warren Mitch
