Nov 5, 2008

**To: Cooper Bussmann Coiltronics® Customers**  
**Subject: Product Change Notice (PCN)**

Dear Valued Customer:

To ensure and improve long term availability, Cooper Bussmann announces the following enhancements effective November, 2008, to the HCP0703, HCP1104 and HCP1305 Series of Coiltronics® High Current Pressed Power Inductors.

1. The aesthetic color will transition from black to grey with the outside appearance remaining the same clear coat epoxy currently in use.
2. The part marking will transition from white to black.
3. The part marking Series designation (HCP0703, HCP1104 or HCP1305) will be removed from the part marking.

These are aesthetic enhancements only with no change to form, fit or function. Cooper Bussmann part numbers will remain the same (with no affect or impact on the ordering process).

## End of Life Notice

Cooper Bussmann also announces an End of Life (EOL) notice. This End of Life notice is effective November, 2008. It is based upon inactivity of specific part numbers in the HCP1104 and HCP1305 Series. They are:

1. HCP1104-R20-R
2. HCP1104-R45-R
3. HCP1305-R68-R
4. HCP1305-R82-R

Cooper Bussmann is committed to providing all customers with high quality products and services. If further information is required regarding this notice, please contact your Cooper Bussmann representative. We thank you for your continued support of Cooper Bussmann and the Coiltronics brand of magnetics.

Regards,

Robert Gundlach
