Discontinuation Notice of QM036D106MAT2A

We have to inform that we have discontinued the production of our QM series ceramic capacitors such as QM036D106MAT2A.

1. Affected parts

All QM series

Only one PN : QM036D106MAT2A has been running at very low qty.

2. Reason of Discontinuation

The global demand of this product has been very low, and we had to come to conclusion that it is no longer possible for us to keep our old special production equipment for this part. We are sorry for the inconvenience caused.

3. Schedule

Immediately effective.

4. Remarks

We would like to recommend our STD part 06036D106MAT2A

We are sorry about the inconvenience caused due to this notice. Thank you for your kind understanding and cooperation in advance.
